## UPDATE ON PREVIOUS MEDIA RELEASE

Waskaganish, Eeyou Istchee - November 23, 2026

Further to our previous press release dated November 21, 2026, the Eeyou Eenou Police Force (EEPF) is providing additional information regarding the individuals charged in connection with the investigation.

Following a court appearance, Alfred Kapashesit (61) was released pursuant to a release order issued by the Court.

The Crown opposed the release of Anthony Carnegie (28). Following the hearing, the accused was remanded into custody and transferred to the Amos Detention Centre, where he remains detained pending further court proceedings.

As this matter remains before the courts, no further information will be released at this time. The Eeyou Eenou Police Force reminds the public that all accused persons are presumed innocent unless and until proven guilty in a court of law.

We also want to thank community members for their continued cooperation in our efforts to keep our communities safe. Anyone who has information and witnessed drug trafficking activities can report anonymously by calling the EI Drug Line at 1-833-343-7847.
